

OPERATIONAL UPDATE – DRILLING CONTINUES AT ROVER 1

Castile Resources Limited (**ASX:CST**) (**Castile** or the **Company**) advises that drilling currently continues at the Company's Rover 1 deposit near Tennant Creek in the Northern Territory.

Castile is following the advice of the Northern Territory Health Department and the Western Australian Health Department and is continuing to monitor the developing situation on an ongoing basis.

The health and safety of Castile employees, contractors and the wider Barkly regional community remains the highest priority at Castile Resources. COVID-19 protocols will continue to be strictly adhered to as per the Castile Resources COVID-19 Business Management Plan.

Castile will keep the market notified as to any material changes in operations if they occur.

This announcement was approved for release by the Castile Resources Board of Directors

Mark Hepburn
Managing Director
Castile Resources Limited
